

# USAGE OF STUDENT SERVICES

Student services play a critical role in supporting the overall academic, personal, and social development of students as they receive a college education. Student services on a college campus include such areas as advising, activities, housing, counseling, recreation and fitness, and a host of other important functions. Both our theories and stories from campuses support the idea that student services are heavily utilized. However, what data do we have to back up our stories?

## ACADEMIC ADVISING

## HOUSING PROGRAMS

## RECREATION SERVICES

## STUDENT ACTIVITIES
